“ I will always remember the fun times we had when we would spend the weekends together in Helen. When I first met Susan it was as if we had been friends for years.
I will miss her sweet smiles
and many laughs we shared. Dr. Phil, I know how much you loved her. I am praying for you and your family.

“ Susan was a special person who I have enjoyed having as an employee as well as a friend. Many hours spent together working at Unicoi Lodge, late night inventories and special memories of directing Elizabeth's wedding, and always lots of stories about her babies. She was such a free spirit who deserved so much. May she be at peace now. Love you Susie

“ We all exist on this earth for some undetermined period of time. During in that time we do things. Some of these things are important. Some of them are unimportant. And those important things give our lives meaning and happiness. Being a part of Susan's life, during our shaping and molding years sure played an important role of much meaning and happiness in my life. You're forever in my heart, until we meet again.

“ I can honestly say that until the night I got the news that you were no longer with us, I have never had a memory involving you that I wanted to just go away. I am however, very thankful for all the wonderful memories I do have of you and I promise you that those will never be forgotten. I am also thankful that my kids were able to meet you and get to know you over the years, I just wish that we had lived closer and that they could have known you like I did. I promise that I will tell them all about you as they grow up and share my memories of you with them so they to will know just how special you were. These last few days have been very tough on me and I'm still very saddened over your sudden passing, but as sad as I am over losing you, I can't be selfish and I do want you to know that I'm happy for you because I know that you are in a wonderful place now. I do wish tough that I could get just one more of your sweet and uplifting messages or comments that you were so good about sending. You touched the lives of many people and will definitely be missed by us all. Goodbye for now, until we meet again. I will love and miss you always! Love, Eva Beva

“ Carol and Rob, I am heartbroken about Susan's death. She left us much too early in her beautiful life. She was special to me because she and Lisa, my daughter had been friends since teenagers. She would light up a room when she entered. She had become a real Christian and I am so delighted to hear. Heaven is rejoicing as she entered the gate. Rest in Peace, my sweet Susan. Love and prayers, Ms. Nestlehutt

“ Susan, you were my friend thru thick and thin. You were there for me from beginning to end, my 1 st marriage, birth of my two children Eva (Eva beva, baby girl and other nicknames you gave her) and Brad and no doubt showed up at your door many times unexpected, even last Mother's Day and attended church with you. I could go on and on with our past way back to trips with your family and you with mine as well. Even when you took my fathers car to run to store and ran into none other than my mother and grandmother sitting at the stop sign and my father was in the hospital. You Cheryl and I shared a bond that was unbreakable. I will miss you dearly. You were a true lifelong friend and I try to reflect that in my policing duties that I serve in today. There are not many friends that you can call true friends from your childhood relations. Go rest high up on that mountain dear friend, and until we meet again I will continue to hold our memories dear to my heart. Love you, Laura Bradley Mullis
