“ *Kim and Katie,
Your mother was an angle to me and my daughter, Rachel, in her time of need. I am so thankful for your mother's care she offered Rachel and for that I want to say thank you. Life might have seemed to have stopped at this time, but if you put your life into Jesus and trust him with all of your heart, He will pick you up and carry through this time. I pray for both of you girls. Please find comfort in knowing your mother is now a true angle. God Bless you both.*

“ *Katie and Kimbery,
You know as much as I how precious of a woman your mom was!! I know we didn't get to see one another much because of the traveling distance, but she gave me such insight and confidence about my life!!! I have always had a special place in my heart and always will!!! One of the many things I learned from your mom was that even though the ones we love may go onto Heaven and not be here in body, they will always be here in our hearts and thoughts!!! Allow the wonderful memories your mom left with you to help guide you through the rest of your life and I promise, you will do just fine!!!! Please feel free to contact me if you ever need anything!!!!!! My prayers are with you and May God Bless You !!!!!*

“ I know what you two girls are going through. You both know how me and Tammy were. She was the best room mate any one could have asked for at conference. You have all my numbers. Call me for any thing. I will always be here for you both. I promised her I would look after you two years ago.... I love you both and you are in my prayers always. Jeri Jo
