“ *It's with a heavy heart I write about my friend TJ.... I'll spare all the details but him and I both led an addicted lifestyle. God blessed me that Tj was present when I od'd... I was a dead man for sure if it weren't for Tj. When i went out he sprung into action giving me cpr until paramedics arrived. I stayed in a coma for a month but those 6-7 minutes it took for Tj to save my life....because if not for him I would've been brain dead. Nothing they could've done. Thank you Tj Carver for everything brother. I'm sorry I couldn't return the favor in saving you. Rest In Peace my friend.*

“ We are truly sorry for your loss. Losing a son is heartbreaking. Our heart aches for you and your family. I have so many sweet memories of TJ when we were neighbors and Eric and TJ was at CLS. He was so loving and always wanted to please. I can see that sweet smile now. I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, no powers can keep us from the love of God. You will be reunited.
