“ I am a long time neighbor of Earl and Teresa. I lost my house right next door to them 9 months ago and they were the only one's literally that helped me in so many ways along with their sweet family. They were the only ones who were there for me at one of the worst times in my life. I loved her like a mother/ friend. The worst thing about loosing my house was loosing the best neighbors anyone could ever wish for. My wish is to have them as my neighbors in heaven as well. I love you so much am I am heartbroken.
