“ I was just reading my “the Rock”. I just saw in the fall 2020 issue that terry had passed away. Very sorry to read that. I also graduated with terry and mark strausbaugh Back in 1978. We had lost touch a number of years ago. Last I had seen terry, I was visiting a cousin in the Atlanta ga area and we met up for an afternoon. Yes after he had played tennis.
Albeit late, sorry for your loss.

“ Tanya, I have never met you but heard about you from Terry. Terry and I never worked in the same branch but worked coordinated issues over many years. He was always one to smile and laugh no matter the stress level and one that always could be relied on. His passing is a shock to all and too soon and there was a world out there waiting for more of his smiles/humor and friendship.

“ To Mrs. Tanya Dorman and the family of Terry Dorman; I am truly saddened by the news of Terry's passing this past Friday. I joined the Army Reserve family back in November 2008 and met Terry a short time later on my first visit to the USARC Headquarters where Terry was assigned. I have been a very good peer of Terry ever since. He was always there for me when I would call, or e-mail him for any kind of assistance. I had made a trip to Ft Bragg and saw Terry at his new Ft Bragg HQs building there in Fayetteville, N.C., about a couple months before he retired and as with all of our office calls together it was a pleasure having the opportunity to talk with him. The last we talked he seemed to beam with joy as he discussed his recent marriage to Tanya and I told him that we'd meet again as soon as I retire and we'd all get together as I was anxious to meet his new bride that seemed to make him over joyed and so happy. Again, this news has saddened me more than words can express. I am sure these feeling are replicated throughout the Army Reserves Resource Management community where Terry was highly respected and highly thought of. I will always think of Terry with fond memories. He was a consummate professional as a Resource Management Budget Officer! My family and I send you our Thoughts and Prayers in your time of sorrow! May God Bless you all and may God welcome Terry with open arms as he goes into the Kingdom of Heaven!

God Bless you All!
