“ Still hard to believe Terry, my FB Friend, has gone on to be without Lord. Terry was always encouraging and I will miss his posts. RIP my Friend.

“ Terry and I were friends in high school. We double dated and were in the GHS band together. In the past few years we reminisced about our service in Vietnam and how the years have been unkind to the warriors who served in an unpopular war. We always tried to talk with each other around our birthdays. God Speed my friend and ally.

Terry was a good friend in High School. I left the state right after graduation and reconnected with Terry a couple of years ago. He was a fine person and loved his family with all his heart. He will be missed by everyone who knew him. RIP Terry, all your pain is gone, I'll miss you brother. Stand your post at the gates of Heaven until all of our brothers are there to relieve you of your watch.

I went to church and high school with Terry. He was one of my first boyfriends, we went to Prom together. So glad we had a chance to reconnect a few years ago. May he enjoy his glorious time with our Lord.

I recently reconnected with Terry on Facebook. He is a good man and loves his Family and Country dearly. You are now free of the pain and sorrow of war and at God's right hand. You will be missed.
