“ Nanny,
*In my Rose Garden of memories
I see you standing there
An angel in disguise
Who taught me how to care
I long to hear your voice
for real not in my dreams
I am missing you so much these days
how empty my world seems
People say time heals all wounds
that someday the pain will subside
But Nanny I can tell you
I think they must have lied
The emptiness I am feeling now
is strong and I am weak
These days go by without you
so dreary and so bleak
In my Rose Garden of memories
I know you'll always be
for though you're gone
from this mortal world
In my heart you'll always be.*

*I love and miss you dearly

“ Thelma Gene was always smiling and a
sweetheart. I never knew what shiny vintage
truck or car I would see them in next but she
and Richard sure looked mighty fancy riding
around town. She will be missed. Love and
prayers to you all.
