

Thelma Leech

December 30, 1920 - September 14, 2015

Monday, we lost an Angel of the Leech family. Some knew her as Thelma, or Nurse, and we knew her as Mom, Grandmommy, or Grammy. Early this morning she passed from having 2 strokes effecting both sides of her brain early last Thursday morning. This summer she fell planting flowers breaking her left arm and hip. She went through hip surgery, a stay in a rehab center, and then finishing home rehab. Last Wednesday night she was able to get up and gave out her goodnights, walked to her room and prepared for bed on her own.

She is survived by her children: Larry, Linda, Lynette, Lonnie. Grandchildren: Linda Tryon, Chris Block, Kevin Block, Heather Leech. Great-Grandchildren: Gavin & Haley Tryon. Niece: Carol McGee.

A memorial celebration of her life will be held this Saturday, September 19 at 4:00 pm at the Family Life Center of the Peachtree City Seventh-day Adventist Church in Sharpsburg .

In lieu of flowers the family asks that donations be made to:

“ *Your mother certainly was an angel! She was the definition of a Southern lady/"steel magnolia". She was beautiful inside and outside, full of compassion, grace and kindness while still being strong for her family and having the physical grit to recover from injury, endure pain and keep going! I was amazed by her! She was so gracious to her kids friends, which included me. Anytime I saw her, whether at home, lake, church or school, I always felt welcomed. She had a beautiful smile, sense of humor and twinkle in her eyes. You took such good care of her, and I know her last thoughts were of being home surrounded by the love of her family! She lived and died with a strong faith in Jesus her Savior and I know she is safely in his care. May the Lord comfort you and all of your family and give you peace.*
