Ted and Carol were neighbors for many years.....summer nights with their dog in the basket of the four wheeler. We chat for awhile and catch up.
Crickets chirping and the sun going down....great memories!!
I read this in the newspaper one day under" Lost and Found ":
Lost.....".One Golden Moment; Embossed with sixty diamond seconds..Yet no reward is offered; For it lost and gone forever.,.....
Every moment is special.....heed the warning*

“ *Mr. Ted is the definition of "Love". No matter who you are he wanted you to know he loved you and so did Jesus. We will forever hold dear visits of him, Mrs. Carolyn and feller on the four wheeler in our hearts. Who knew him letting a small child fly his remote control plane could bring so much joy and a big friendship. When Ted was in a room his smile brought love to all. Hugs, love, and many prayers to his dear family.*

“ *At Georgia Power Ted served as a Fleet Mechanic for many years. He suffered with kidney stones from time to time and would often push himself to get a job done. He worked through his pain and suffering. I'm thankful that he no longer suffers as he is present with our Lord. One of the first things you found out about Ted was that he was a Christian and serving God was what he was about - everything else was just a means to serve. God's Peace and Comfort to his family.*

“ *Ted, Art Scombs, and I were the three smallest boys in class so we were lined up next to each other every time we moved from one place to another. So I have had many a fond memory of Ted. The brothers were so organized that they always did the same thing, so it didn't matter what class we were in, we were together.*
