“ I remember when Krista and I got stuck riding around Peachtree City golf cart trails at night and our borrowed golf cart ran out of battery. We were lucky enough to find someone who would let us charge it overnight but said we had to come back in the morning to get it. We didn't know what to do so we called Krista's mom to pick us up. It was very late at night so we thought we were going to be in trouble but when she drove up to pick us up, she unrolled the window cackling and told us, "get in the car idiots!" We all cracked up laughing and hopped in. Thank you for always making me feel welcomed into your family Mrs. Roberts, you are missed! Thinking of the whole family today and sending my love.

“ One of my favorite Christmas traditions was waiting to read the holiday book my aunt Theresa would send every year. Although we lived far away, those books always made me feel loved and special. It was such a special and meaningful gift and I will always be grateful for these memories.

“ My heart and prayers go out to all of Theresa's family, especially her husband and children. I know her from work, and she always had my respect, admiration, and appreciation for her great big heart and sweet spirit. Gone much too soon. All I can think is God takes the best and leaves the rest. May faith in God's plan, belief in the hereafter, and peace in Christ be with you all.

“ *Though Theresa was my sister-in-law, I sadly didn't know her very well as we lived far apart. However, the time we did spend together in FL visiting her parents was special. I remember a CT visit when our dog Jack was only a year old. Theresa got such a kick out of the newsletter I created to assist my mom in babysitting him. Theresa had a huge heart for everyone she loved. That clearly included her dear husband George and daughters Michelle and Krista. It also included many fur babies and her countless students and fellow teachers. The world is most certainly a more empty place without her. May she be enjoying her reunion with her mom and other departed loved ones with God. Love you!*

“ Theresa was more like a sister to me when we were children. I spent many summers at the Dana Lane Homestead!! I remember her and Dee's bedroom with so many stuffed animals! We spent so much time swimming, camping , sharing secrets and clothes!!! Michelle and Ashley were born just a month apart from each other!! Please know how sorry we are for such a great loss. Sending love to all

“ I had the pleasure of working with Theresa at Flat Rock Middle. She and I co-taught one year and she was a pleasure to work with. Theresa had a heart for the students she served and always worked as their advocate. She will surely be missed by all who knew and worked with her. I am praying for your family in this time of grief. I will miss Theresa but I am happy for her that she is now resting in the arms of her Heavenly Father.
