I first met Tommy when I married Donna. It was good to know another Navy veteran. We shared some of the same life events while serving in the Navy. Although Tommy's service was relatively short, he did see duty a board our pride and joy, the US Navy carriers.

The men and women who serve our country in order to give and keep our freedom are a special breed. Less than 1% of our population serves the other 99. Tommy was one of those.

Thank you for your service shipment.

Rest in peace.

Ken.

“ Such a great guy. He also loved horses and so willing to share them. He let me ride one if his horses when several of us were going riding. He will be missed. Praying for comfort for his family.

“ Tommy, my cousin, more like a brother. He has always been near and dear to my heart. He used to prank me when we were kids. He built a bicycle once. He said I could ride it but failed to tell me it didn't have brakes. I landed in the creek. Always the one to pull a prank and make me laugh. Always there for me no matter what. I will truly miss him. Love you Tommy, see you later. Jackie Gray

“ I have known Tommy since I can remember. We grew up together in Union City. Our families were intertwined with the UC volunteer fire dept. He was a good friend. Always smiling and never a mean bone in his body. He will be missed. The memories of Tommy will always make me smile. May the family find peace in the knowledge that he was a good man. My thoughts are with the family.
