“ Today we will say goodbye to a longtime friend and fellow golfer. Tom was synonymous with the long running Delta Golf Open. He spent a large portion of his life being involved with this beloved tournament, both as a Committee member and Committee Chairman. He was committed to the success of this tournament and thousands of golfers have enjoyed it for many, many years. Tom retired from the Committee in 2013 and I was elected as Chairman to succeed Tom. I knew he would be a tough act to follow but I was very proud to assume that role. Tom was designated as Chairman Emeritus and kept up with the tournament as much as possible. I have no doubt he now has a standing tee time with his cronies at that Heavenly Golf Course in the sky, and has resumed playing with several close friends who have gone before him. We will miss you Tom.....rest in peace.

“ Adjectives as I learned in school are used to describe a person place or thing. What I did not learn in school is how to use them to describe the loss of Tom. It's been said when a person goes to Heaven or brides 18 they are in a better place, which I do know is true. I can picture Tom and Dave and Sue having a margarita and telling stories we all love.

I have had the honor and pleasure to know and love Tom for more years than I can count, his family his and all that go with that, very very special thoughts for one person, hugs and love.

I truly pray for comfort and peace for Bobbie, God has blessed you with Tom and you shared him with us. I do so much admire your care and love for Tom,

We never understand what and how God works but we know it's right.

May God bless you and keep you safe he did me because I will always love Tom and keep him in heart
