“ Dear L.M., Mack and Gary,  
I was so sorry to hear about Gary. I loved hanging out at your house when I was little and Gary was my favorite playmate. It's been a very long time, but I'll never forget my friend!

“ Dear Family,

*May Jehovah God comfort you during this time of loss. Though there may be little that can be said or done to ease your pain, may you find comfort in knowing that many care and sympathize with your sadness. Always know that Jehovah God is with you to strengthen and guide you. May your trust in his promise of a resurrection bring you peace. – Acts 24:15*

*Warm Regards,

“ To Gary's Family I pray the Lord gives you Comfort and Peace in your time of loss. After hiring Gary for Airtran I had no idea we would developed a wonderful working relationship and as his Leader I can say his work ethic was exemplary. He was extremely close to my daughter Chelle and we became very good friends as well. There is much sadness in all our hearts for the loss of Gary but when I think of him, as a tear drops in my heart a smile comes behind it. Remembering his great wit, dedication, realism and the most positive attitude I have ever witnessed. Soar High my dear friend and know your Spirit lives within the hearts of those who knew and loved you.

“ I knew Gary through work @ AirTran, then, on forward to Southwest. I didn't know him personally, at first, but I knew him to be always comical, very straight forward and direct person. As I got to know him better, through the years, I found out he was caring and alwayd traveling to Vegas, among many other places. He always had a kind word & smile, even before he knew my name. I will surely miss him, more thsn words can express. And, if I hurt, not knowing him completely such as his favorite color, food or saying, then, I know many at my job whom was his personal friend, along with family, will have more sadness to bare than I. Gary is already missed by me, even when I last saw him, I missed not seeing him on my breaks. My condolences, LUV, and prayers go out to all that even had the pleasure of his presence!
