“ I was wondering how Tommy was doing so today I googled his name and I am beyond heartbroken. I was Tommy's supervisor right out of college and I found him to be one of the hardest workers with the best attitude one could ever want to be around. We were extremely close during that time and not a day goes by without thinking about him and the fun we had working for the FDIC. I am so sorry for this loss of an amazing man who I remember being so happy and the energy to take on the world. I am lighting a candle as his love for others will always be remembered.

“ My prayers go out to Tommy's family. I worked with Tommy at Paradies and was shocked to hear about his passing. I recall one day at work Tommy passed by my desk. He backed up and looked at a cup on my desk that had a picture of a Schnauzer on it. He asked me was that my Schnauzer or did I have one. I told him I had one then he told me that when he was little boy he got a Schnauzer for Christmas one year, I think he said her name was Sasha. After that he would ask me from time to time how my dog was doing. When he told me he was leaving Paradies he said to me.. "Take care of that Schnauzer". Tommy was a very sweet man who will be missed. Rest in peace Tommy.

“ Dear Wendy, Avery and Abby,
I am so so sorry to hear of the passing of Tommy. He was such a wonderful and delightful person to be around. I worked for him at CIT and he always had such a positive attitude about his job, his family and his life. I have many fond memories of Tommy and his WAR EAGLES shout outs throughout the office. What a great person. May the good memories of Tommy help you through these days/weeks and years to come. Your family will be in my thoughts and prayers.

“ Wendy, Abby and Avery, As some people journey through life they leave footprints - wherever they go - footprints of kindness and love, courage and compassion, humor and inspiration, joy and faith. Even when they are gone, we can still look back and clearly see the trail they left behind - a trail bright with hope that invites us to follow. Praying you'll be comforted with precious memories and God's presence to care for you in your loss. We are praying that God will hold you in his arms during the difficult days ahead. We love you,
