“ I am so sorry for your loss. As kids growing up in Auburn through high school Tim was always a joy to be around. Tim was indirectly responsible for me meeting my wife of today and I will always remember the talks we had about life and Auburn while I lived in Atlanta back in the 80s. The Herring family was always a big part of the Auburn family and Tim was a great Auburn man!

“ Tim was a good and loyal friend, who seemed to always show up with a smile and a song. He brought a unique enthusiasm and energy to our lives and made a celebration of most any get-together. He loved his family so dearly. It's hard to imagine a world without Tim livening and lightening things up -- his memory always will.

“ Dearest Patti, Katie, & Hal: It's hard to imagine a world without Cousin Tim. From when I was a little girl to my teen years- He made every little thing funny. I have some vivid memories of Tim: We were all sitting at the dining room table and he was walking around with his plate singing, 'Dixie Chicken'! Loudly. And when I was in my teens, we were riding around in my (then) boyfriend's car and from the backseat, Tim kept referring to him as Space Captain. BF didn't think it was funny but I thought it was hysterical and started calling him Space Captain, too. LOL. Tim inspired me with the gift of humorous sarcasm said with love. (Is that a thing? IDK but he made it okay.) He's missed and irreplaceable and I know it's something that only time can heal. My love to you all.

“Patti, words cannot begin to express my sympathy for you, Katie, and Hal. As I reflect on memories, "lawyer Herring", working with Tim as he coached my mock trial team, my nickname "cakes", and trips to Fla. (can't forget he and Errol singing "hey baby!") Steve and I have him to thank for our waffle maker! He was a wonderful guy that lived life to the fullest and never met a stranger. I am bless to have known him. May God watch over you and give you peace during this time and always.

*"And He will raise you up on eagle's wings,
Bear you on the breath of dawn,
Make you to shine like the sun,
And hold you in the palm of His Hand".
Much Love.*

It is January of 2022 and I'm just finding out that my buddy, Tim Herring, past 8 years ago. I am truly devastated. I met Tim in the late 70's, Denver CO, at Rehabilitation Placements Specialists when I was hired. He helped me through a difficult period of my life. Always there with a helping hand and the best sense of humor. He drove a beat-up hippie VW bus around town! He definately was 'the belle of the ball'. So proud of when he moved forward in his life to Atlanta and law school. The last time I heard from him was after he married Patti and had a little girl named Katie. I was so happy for all he had accomplished in his life. As life continues on I have always wondered about my buddy... God certainly gave us a wonderful human being and he will always rest in my heart and soul...

To Patti and his children:

We've never met but my blessings are with you forever...

My love,

Patti Conner

His quick wit and musical talent set him apart as truly gifted. I still remember the Judges. I'm saddened by his untimely passing but happy to know he was saved. See ya soon brother!*

“ I was fortunate to have known Tim as a law student, then as a law alumnus (great class of 1985) and then, starting in 1991, as the man who brought some terrific bluegrass music to the UGA law school's annual homecoming BBQ. I will be always grateful that I knew Tim and had a front row seat to watch a man who loved life and loved people, especially his family, and who was generous to a fault. Tim never met a stranger, and we are all better from having known him. God speed, Tim, you are already missed so much. One last hug to you.
