“ One of my fondest memories is the day you married our Vanessa. The love you have for her that day has always shined through. She finally found her true love in you. You were a loving and caring step father to my niece Lynzea. I never heard her say a single bad thing about you. That alone shows how wonderful you are. You were protective of your ladies and I know you will continue to watch over them from heaven. I know we are never to question why so I guess Vanessa will have to wait with me to find out that answer. Now you are reunited with your beloved mom and brother. Todd we will miss your honesty, your love and your friendship. We will hold on to our treasured memories. We will be here to help your family work through all of this. We love you see you again one day my friend! <3

“ I have many memories of my brother inlaw Todd!!! He not only was a great person with the biggest caring heart ever, but he was always a great father to his kids, husband to my sister, step father to my niece and nephew, and *BAD TO THE BONES* uncle to my boys! I will never *EVER* forget all of our inside jokes, holidays, cook outs and party nights in the yard during the summer with everyone. But there is one memory that I will cherish forever that will never leave my mind and always put a smile on my face and make me laugh.....*BURNT SAUSAGE!!!!* Ha haaaa, we love you Todd and you will always be missed yet *NEVER FORGOTTEN*.

To the very best brother inlaw and uncle, may you Rest In Peace while you watch over us all as you sit in heaven with your mom and brother. We love you Todd
