“ Sweet Nanny,
I will never forget how you absolutely loved keeping Alex as a baby. How you came to my home and helped me with the simplest things, and prayed over me when I felt like I had no one who understood why I was so lonely and depressed and did not want to go on... You would stay up to nearly midnight playing cards with me, just to make me feel better. I love you so much Nanny! You are so precious, and I will forever hold you in my heart.

“ I want to send my condolences to the family for their loss. You can take comfort in knowing that God promises to end all suffering and death for good. All sickness and pain will be wiped away completely. We then look to the chance to be able to welcome back our lost loved ones again, right here on earth, under perfect conditions. May God be with the family in their time of need.-Revelation 21:4, Acts 24:15, Isaiah 25:8.

“ *Nanny, you were a amazingly special woman, and you'll always
have a place in my heart. You were always there for me whenever I
needed you, and no matter the situation, you knew the right things
to say to make everything better. Even though you aren't physically
here, I know you are watching over all of us until we see you again.
We are all on a journey - you just got there before the rest of us.
Keep taking care of all of us, and I'll never forget the impression you
made on my life. I love you, Nanny!*
