“ Tanya and Robert always welcomed me into their home and their activities when I was traveling around with Dee. Whether it was a shopping trip for the girls, a chat on the porch, or a meal, I always felt like family. I am grateful to Tanya and Robert for their kindness over the years. Today, they are together once more. Although we may miss their physical presence, they are only a thought or a memory away. Prayers to the family that they find comfort in their memories and peace in their heart. Rest easy, Tanya.

“ I'm just a friend from school but Tonya left me with pleasant memories of her kindness and beauty. She was a great athlete, we played basketball together.
