“ Tracy was always a pleasure to work with. He was very kind-natured, and I cannot think of a single time where he lost his patience. There was a lot to learn from him, but he never stopped learning either. I will miss seeing him around and the jovial chuckle he made in conversation.

“ Tracy, you will be missed greatly, I enjoyed working with you for many years, you were the kindest, most mild mannered person I have ever met. I loved the stories you would share when we spoke. Thank you for all the help and classes you taught over the years at Coolray.

“ Tracy was a kind, patient man. I meet him through work; not knowing a lot when I started in the HVAC/Plumbing world he was the perfect teacher. He will be missed and I am forever grateful I got to know him.
