“ *Im so sorry to hear of your loss. Rest assured that God will soon act. He will completely wipe out all sickness and death for good. We also have the hope of being able to see our loved ones again, here on earth. May the God of all comfort continue to strengthen the family in the days to come.-Revelation 21:4, Acts 24:15, Isaiah 25:8.*

“ *Keith and Stacey,
We are thinking of you. Our years of living next door to you in Hapeville when you and our kids, Bill and Suzi were growing up are such fond memories. Your Mom and Dad were both wonderful folks. I also worked with Rick at NWA but the best years were being your neighbors. God Bless you both during this sad time of loss. We will keep you in our prayers.*

“ I was Rick's first Lead Mechanic at Southern Airways, even remember one of his first jobs was behind the #2 shutter door of a martin 404. No more dirty job existed on that airplane. When Rick was done his formerly white flight line uniform was black from the waist up. I think Travis threw the shirt away as it was too dirty to clean. Rick and Travis were great folks, I worked with Rick until I retired.

“ Travis was a beautiful Sister in Christ. Her smile was infectious and she had such a zest for life. Travis had more energy than Jerry and I put together. She also loved serving her Lord and Savior by being the hands and feet of Jesus. Many hearts and lives were touched by her life. We are so blessed to have known her. Jerry and I are praying for all of you as we know that your hearts are breaking. Your Crossroads family is here for you.
