“ Dear Nanny, as September 24th approaches I can only cry. I think of you every day. Your beauty in heaven affects people in earth. Many nights I dream, we're together—mostly your soft nature (when possible). I am ... sad I can no longer FaceTime or call you. You're something of a dream, a love, a voice of un-reasonable reason that I will forever along. I love you. You're (probably) the only person I've ever loved. ———cheers to the afterlife!

“ *Trudy was a Woman of Love, Faith, compassion and strong will. It was truly touching to see the level of care her family provided for her in her final days including decorating everything like it was Christmas. My deepest condolences for the family at this difficult time. You will be deeply missed Trudy* 💕😭
