“ *Met Valeria when we moved and she became are neighbor! She was full of happiness and always had something to say that would make you smile! We got to know her over the years and no matter what you did for her she was always grateful and when leaving would tell you, I love you! She had a heart of gold and would try to help a person when she could! I'm going to miss her driving bye and honking the horn! May you rest in peace dear lady! Your time on Earth is done and we can trust your in a better place and pain free! God bless you ! Will always remember you! Lol*

*I just talked with her about a month ago
She is a very special lady. She fought for her and her granddaughter. I worked with her many years and I always would here her call out to people as Sugar. Rest in peace Valeria. You will be deeply missed. She always asked me how my mom and dad was doing. Always thought of someone else instead of herself. God has another Angel. Always love her.*
