“ Van and Vickie’s were next door neighbors for a few years. We live just around the corner now. Jason and my boys were childhood friends and the Holley’s were always great neighbors and welcoming to us when we moved here years ago. I am very saddened to hear of his passing. My heart goes out to his family in these difficult times.

“ Van and I were cousins. I remember in years gone by that he was always smiling and laughing and making others happy. I will be praying for the family in the times ahead.
