“ *I would like to send my deepest condolences to the Budhu family and every heart who will feel the impact of this transition. Though I've never met Ms. Verma in person, through her son Mr. Chris & his beautiful family, I've been blessed to encounter a measure of her welcoming, joyful, and intentional spirit. I pray that you all would be comforted by the love you have the each other, and strive to honor each day as the gift it truly is! Peace be unto you all. Amen.*
