I'm so sorry for you loss! I just called to pick up my clothes and her husband answered and told me what happened! Vickie is amazing woman, I enjoy coming over to set with her while she sews things! She had this peace about her that when I seen her and come over she would make me so relaxed and calm after my hectic day! I enjoyed all of our talks! I'm so sorry to her family and her church family! She talked to me often about all of you! I will miss her terribly!!!! Heaven has definitely gotten a sweet ange! Prayers to all of you! I'm very sorry this is so late!!! 🙏🙏🙏

“ I cant even begin to say anything without tears swelling. Although we met through her incredible talent and craft we quickly formed a friendship it was hard not to with Miss Vickie. She always asked about my family and told me of how she adored her grandchildren. I looked forward to talking with her every time I got to visit her. As I look around my house almost every room has some of Vickies majic in it. I am shaking my head that I only just saw her a few weeks ago and that I will not get to have anymore of our wonderful conversations. To her family she loved you dearly and never missed a chance to say so. I feel blessed to have gotten to share time with her. I wish you all peace in the coming days and if I can do anything at all for you I will.

“ We are saddened at Vickie's homegoing, yet we rejoice to know that she is at home with the Lord. Vickie Brown exhibited the fruit of the spirit like no one else. To know her was to know that here is a person who loves the Lord and desires to become more like Jesus everyday. Our love and sympathy to Donald, Tiffany, Mark, Corey and Emma.

“ Tiffany, words cannot express the feelings I am having. I don't understand many things in this world and the sudden loss of loved ones is certainly at the top of the list. I know you will have many thoughts and memories flooding your mind right now, but try to focus on the good, the joyous and let the bad go. Your Mom was so kind, I don't need to tell you. She was generous and giving, but above all she loved you all so much. And there is no question where she is now. She was another Mom for me too. I am here for you Tiff, please reach out if you need me. I am only a phone call away.

The memory that keeps flooding back to me is when we were like 15 and she took us to drive by this guy's house that I had a crush on. that was so funny. And when she...well I won't write that one here :) but I have a lot of memories of her.

Love you Tiff. I am so sorry for your loss.
