“ I remember as kids , how we used to play together. I was a couple yrs older, but we would play and tell each other secrets. Like we had so many important secrets to share, lol. As we grew older i moved out of state and so did you. You went to Viet Nam and I stayed out west. We have not seen each other for all those yrs. But I have so often thought of you. When we were kids everyone said we looked so much alike. And now I can still see that we favor. Bless you my nephew, my child hood friend. Be at peace . fly high with the Angels.....you will always be missed. Catherine.
