“ Albert, Margaret, Michelle, Clinton and the Grands. Thank you for sharing your mom and grandmother with so many especially me.

Vickie was my second mother. Her gentle and loving spirit has guided me over the years with so much knowledge on the basics of life. Vickie was a continuous presence in my life. She was there when I graduated from college and grad school. We travelled together on cruises, church staff retreats, to the Carribean, when I celebrated the 25th Anniversary of my 25th birthday and even to Israel. The best was our silent conversations and our late night laughs about earlier events. I learned from you there is no shame to be who you are. Your wonderful way of speaking without leaving you wounded by your words was always supportive and loving when giving your advice. Forever present, always praying for me and those close to me. I know where you are and looking all beautiful and glorious in heaven with our Lord.

“ Albert, Margaret, Michelle, In-laws and grand-kids; please accept our condolences on this mournful occasion, but understand that weeping may endure for a night but joy comes in the morning. Aunt Vickie would have certainly wanted everyone to hold true to that biblical concept.

We always wish time spent with those we love could last forever, and in our hearts, it will, for we will never forget the great positive impact she has had on our life and we will miss her.

We love you Aunt Vickie

“ I thank God for my time spent with Vickie - she has been a tower of wisdom to me and has helped me in more ways than I can express.

Vicky had a Servant's Heart, an exemplary character, outstanding leadership skills and always a soft spoken voice. Because of her attributes, our staff CCC loved her, especially CLC SAF later referred to as the CCC MOH Service Reps.

Vicky will be forever remembered - I love you Vickie - May You Rest in Peace -

“ *Queen Victoria as I addressed her and held her to the highest sentiment & respect, set a standard of a woman of GOD. Vickie's gentle & ladylike spirit was infectious. Together we served as Hostess' at CCC for many years. As "Glam-ma's" we would share our grandchildren's stories, knowing how blessed & proud we were of their accomplishment's. Knowing that Vickie is resting in the LORD, is comforting for me. To Margaret, Michelle, Al & Family, my most heartfelt condolences. Love, her Sister in the LORD, Julie Rivera XOXO* ❤️ 🌹 🌸

“ *I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.*

“ Victoria was such an interesting Person. Victoria was a very well-respected neighbor, became a dear friend, and in many ways ultimately became a mentor to me. Victoria was a very multi-faceted person who excelled in all of her roles. Victoria was a doting and proud Mother and Grandmother, a successful and consummate professional, and a devoted follower committed to her spirituality and Her God.

Victoria was very intelligent, regal, and self-confident, The World is less interesting without Victoria in it. I will keep Her in both fond memory and prayer.

My condolences to Victoria's Family, and I pray that you find comfort in the wonderful memories of your shared life with Victoria. May She rest in eternal peace.

“ Margaret, Michelle, Albert,

As you face this most difficult time in your life, it may help to know that others share in your loss.

"Vicky" has been a mother figure to me and my family for about forty years. God walked her into my life in the late 1970 at Bankers Trust Company. She was my supervisor. She had a strong work ethic and taught me to be diligent and thorough. She would say, nothing is worth doing if it's not done to the best of your ability. We became close friends and she was honored when I asked her to be my second child's God mother.

Vicky was the first friend to visit and assist me when the baby and I was discharged from the hospital. To this day Dexter and Vicky have a special 💕 relationship. Vicky was always caring, loving and generous to my family. She touched the hearts of all those she met. The life she lived is an example for all to follow.

Vicky, rest in peace.

“ My dearest Margaret and Family, My prayers are with you during this celebration of life of your mom. I truly remember hanging out at the apartment in Ebbets Field, the coats she bought for the girls every other year, and the pretty dresses she would show. I really remember the coat thing because when I had my own children I followed her example. May she rest in peace and I pray God's strength for the family as you lay her to rest.

“ *My Sister Michelle and Family,
I know it's time to celebrate Mother Pierre!
So I just wanted to share my thoughts about one of the first Spiritual
Mother's/Women in my life that I looked up to. Mother Pierre was a
woman of Elegance, Royalty, Beauty, Independence and
Intelligence with Wisdom on top of it all. I wanted to be just like her.
I thank you for allowing me to share your mother. This was life
changing for me. Mother Pierre set the standard of how I thought I
should carry myself. The ultimate God fearing woman, Mother
Pierre was one of the shiny stars in CCC for me. Thank you for
allowing me to be in your lives. I thank you for having such a
wonderful relationship with your mother; allowing me to see how
beautiful a mother and daughter relationship should be. I love you
very much and I thank you for everything that you and Mother Pierre
have contributed to me in my life. I will be dearly missed! Love you
always Treva ..

that we love deeply becomes part of us. – Helen Keller*
