“ *Vickie, you will be missed. There were four cousins all the same age and now one of us has gone first. I remember many days at Mama Jones playing, running, telling stories and exploring under the house. Many fond memories that will never be forgotten. Aubrey (Elmo) Jones Jr.*

“ I can not believe I live in a world where our paths will not cross. They have been crossing since 1973. There I was, a newlywed in a new city. I walk into a home clothes party, and it is you. It is 1985 in Memphis, TN, and the last time we saw each other was 1973 in Atlanta, GA, when your roommate had gone out with my boyfriend. We had so much fun becoming neighbors, losing touch, and reconnecting back in Georgia in 1996. Thank you for all the laughs, tears, fun, and tragedies. We endured them all. Thank you for being my friend. I love you and will miss you so much. A part of me is gone. I wish I could be there to celebrate your life, but I have COVID. My love to all the family and friends. My heart is broken.
