“ Dear Don and family,

Please accept our deepest condolences on the loss of Miss Virginia. It was always such a pleasure to have you come into the salon and share your stories and adventures that the two of you shared. I will always remember the love and tenderness in your voice when we spoke about Miss Virginia. The day of your vow renewal on your 50th wedding anniversary the two of you were like a young couple saying I do for the first time. I grew to love you both like family.

My love and prayers are with you and your precious family. Hold your memories dear. You all have so many wonderful ones. God will comfort you and give you peace until you meet again.

All of our prayers,

Randy, Susan? And Justin Morrell

“ We will miss "Ma Huiet" very much! No one could light up a room like she could. We recently heard a broadcast asking about people's favorite comfort food, and immediately her peach cobbler came to mind! She taught us how to make that about 27 years ago. Love and miss her!!!

“ I never know what to say. I hate she is gone, I loved her, she was funny, loving, and wonderful. She loved me just the way I am, what more can u ask for? I wish I spent more time with her. I guess I am selfish, I am made and upset she is gone. All my love.

“ Virginia was a wonderful person and a great neighbor! We enjoyed so many meals and banana bread she generously shared with us. We will greatly miss her beautiful smile and unlimited generosity. I know she is with the Lord and know that we will see her in heaven one day.

You have had a long and happy and productive life together and we will always think of her and you in the same thought.
