“ *Thomas and Susan and family:*

Our thoughts and prayers are extended to you during this time of loss of your mother. We have fond memories of pool parties at the house during the West End Baptist days as well as so many times at church. She was always so gracious and kind to us as was your father. Praying that God's grace and peace surround you today as well as in the future.

“ *Dear Terre, Susan, and the entire Humber family, we are so grateful for the life of your loving, fun-loving mother, Virginia. We enjoyed many times of hospitality in her home (way back in the day when Terre and Susan were newlyweds) and then with my own young sons at the pool in the summers! We pray for your family, that you will be comforted in your loss by the very real presence of her love that is a part of each of you.*

Love,

Cathy Haas Baskin (Terre's sister), John, Jesse, Jake, and Will Baskin
