“ Mr. Ron always had a special way of telling stories. I'll always remember sitting in the Benefields' carport and listening to him talk about his favorite memories.

“ *Bev , Doug, Jason and Corey, What wonderful memories we have of you and Ron. A warm and loving family; who made everyone feel welcomed and special. Oh the stories Ron would tell. I could listen to him for hours. He loved his family deeply and his friends.*

*One day Ron got in touch with me to let me know he caught some fish for me and my sons and to come pick them up. When I went over, he handed me a bucket full- -of live fish! I asked what I was supposed to do with them, he said "Clean 'em and eat 'em". The horror on my face told him that was not going to happen. He said "Gimme that bucket" he cleaned the fish and cooked them too!*

*Bev and boys, my heart is broken for you in the loss of such a loving, larger than life man, full of character. He taught his boys well and raised 3 amazing sons.*

*It's said heaven has streets of gold and mansions. But God knows Ron. When he got to the gates of heaven, God brought him to the most beautiful fishing hole, the sun shining on his face, in a healed body. Rest easy Ron- we will miss you. Until we see you again! With all our love, Gabrielle , Andrew, Anthony and Gianna.*

“ *My wonderful father in law. He was the most honest, caring, wonderful man i have had the pleasure to know. He was stubborn as the day is long but loved with everything he had! I love you darlin, and dont worry we will take care of things down here. Go spend time with your family and catch a few fish up there, we are sad but we will continue your legacy here.*
