“ One of the best things that Elizabeth ever did was to bring Walter into our church family and into our hearts. Gordon got to know Walter through the bowling league as they bowled together their friendship grew. Then Walter and I began our email smiles and sometimes mischief back and forth. Walter knew of my love of peanuts in the shell and would often share some that he got periodically with me. What a thoughtful man! We so enjoyed his birthday parties and are sad that there will be no more. Walter brought kind words and smiles to all who knew him. The world is a better place because Walter Cook came our way.

“ Walter endeared himself to us here at Wesley Woods the short time he was here. He taught us how to play Skipbo ( We became addicted) I enjoyed playing billiards with him and putting on the putting green. He let me beat him sometimes. We will miss him so much, but are thankful that we had him for a little while..and that we got to know his family. Please come by to see us sometime. Love you all...Betty Kamperman

“ *Walter was my godfather and he and his first wife Edith always went on vacation with us to Jacksonville Beach. Once, when I was about 5, Walter had me on his shoulders and we were jumping waves. Just as I linked my fingers with his we were stung by a jellyfish. I came out of the water, coming out of my bathing suit and my Mom said that she thought for a moment that Walter might do the same thing.*

*I have known and loved Walter all of my life and he was a simply wonderful human being. The world is a sadder place without him. I love you Walter,
