“ Lynne,
I just saw this many months have passed but I wanted to let you know I am thinking of you and remembering the time I was able to spend with Walter learning about birds and trying to help him with his computer. I know he is in a better place but I also know he was a really sweet man and I am sure you miss him greatly. Take care.

“ *During those brief years at Georgia Tech, I knew Walt 3 ways. First, as the older brother of my roommate Steve (aka Goose). Second, as a brother in Delta Tau Delta in which both his brother Goose and I were Pledges. And third - since I was honored with invitations to the famous Annual Keiser Family Corn Party at Lake Jodeco - I got to know him as the son of two great parents.*

Having known his family, it was easy for me to see how Walt acquired some of the most appreciated of human qualities = Walt was among some of the friendliest, most cordial, and most likable people that I have ever known!

Thank you for your Service to your country - and thank you for just being you.... Rest in Peace Walt Keiser.
