*My uncle Walter done so much for my Dad! My Dad was so close to his brother.He helped us when my brother was on life support by letting us borrow his car to go to Brunswick . He also helped us when my Dad passed away. Thank God I was able to visit him at home after Dad passed and tell him how much I appreciate everything he ever done for us. But the best thing of all was he was a great Uncle. Rest now Uncle Walter your work is done. I know your siblings and all your family are rejoicing with you now.*

*To the wonderful family of Walter. I am so sorry for your loss. I consider my time with your family over the years to be such a fond memory with Walter and Gaynell watching over me as an extended member of your family. I loved my time working at Samples Transportation and everyone asking "Where's Waldo?" Walter and Gaynell taught me so much that summer and I am forever grateful to them. May God bless you all and keep you comforted during this time of loss. I will keep you all in my prayers. Stephanie Love*
