Daddy, I miss you every day. So many things have changed as I'm sure you are aware. I sure miss hearing your voice and smelling your aftershave and just having time listening to songs with you to watching tv or hanging out with my girls and you and mama and all our family. You were such a fun and hard working daddy. Thanks for being the best. Big hugs from me here to you in heaven. Keep watching over us and we will all be together again one day. I love you Daddy sooo much to the moon and back again
