“ *This is to my wonderful Dad. In my eyes you have always been the smartist ,greatist, Father there ever was. I was able to learn so much from you and was still learning. This deadly diesaes took you away from us too quick. There was so many more people that needed to be blessed by you and your wisdom. You never met a stranger and I got that from you .Dad may you fly high with the angels and be with Mom and my Steven once again but know with the Lord by your side. All my love your daughter Val*

“WA was so kind to our family. After my father began having strokes, WA would visit him wherever he might be. He was also thoughtful enough to take my father to the DC 3 Banquet. The world has lost a very good man. I am thankful for the warm memories. Praying for peace and comfort for his loved ones.
