“ This is Tim Dillard. My Granddaddy was Preacher Dillard and he was at Mt Vernon for many years. I would spend summers with my Grandparents and knew your families very well. My family is so sorry for your loss. Your family is in our prayers.

“ I considered Wayman to be my best friend. We shared our thoughts and experiences from the great depression of the nineteen thirties up to all the problems that face our lives today. We shared the good common sense that all the great values that formed our lives and all the hard work that we did gave us a great insight on how to appreciate a life in which we gave our very best . There is no doubt that these are the kind of values that made America great. Hopefully it is the life that Wayman lived which will have a positive impact on all who knew him;

“ Wayman was the first person to make me aware of my need to be a follower of Jesus Christ. I was only six at the time. But I never forgot his testimony. All glory to God, Melinda and I will celebrate 63 years of walking with Christ on April 11.
Praying for you,
