“ Wayne was more than a mentor to us. He was a dear friend and one of the sincerest men we have ever known. Losing Wayne is indeed a very sad time for us so we know that the Mullins family is hurting and our thoughts and abundant prayers go out to you all. After Devan hung up the phone after hearing the news from Mike....he told me and then through teary eyes he said “I’ve lost one of my last true heroes”. I believe that statement says it all. With love, Devan and Denise Willis

“ Wayne has always felt like part of our family! He was such a great friend to my dad. I never remember seeing him when he wasn't smiling. He always made you feel like you were the most important person when you talked with him. My heartfelt sympathy to Mike, Susan and family!
