“ *W.B. was one of a kind and I will miss him very much. He and Edith ("his Bride") were examples of what a marriage should be. W.B. never forgot our anniversary because he always sent Randy and I a card. We loved this sweet man!*

“ *I was truly saddened to learn of Mr. Perry's passing. I had the privilege of working with him at Southern Bell/AT&T in the mid 70's thru early 80's. During that time I was the administrative assistant for Phil Gates whom W.B. was a member of his staff. I was honored to have coordinated his retirement celebration in 1982 and still possess a ceramic rose with his personal inscription of appreciation. W.B. was indeed a "southern gentleman" whom I have the sincerest respect and admiration for. I extend my sincere sympathy to the Perry family in your loss.*
