“ *Bill was in charge of the Trust Company Bank's Bookkeeping dept. in the late 60's and early 70's and I replaced him in this dept in 1973. He was very helpful to me during this transition and I learned a lot about his favorite topic, the city of Palmetto..He had also been very helpful to me and the Bank during the late 60's up until 1973 with his knowledge of finances and bookkeeping. I know why he did so well with the city's finances. He had an excellent background in Banking. he truly loved what he did and was always willing to help others. he will be missed.*
