“ *My condolences to family and friends. Just learned of his passing. Regret that I missed his service. I have known Butch for many years, while in Union City he would come to my office for frequent visits.. Then the family moved away and I lost contact. May he rest in peace.*

“ Butch was a dear friend who I had the honor of working with many times as a concrete consultant. Some of my fondest memories are of Butch, his professional work ethic, his inventive and most crafty way in which he did his job and most of all his relatively dry sense of humor... no matter what the most difficult situation we found ourselves in we always seemed to get the job done, and from my perspective had some level of fun doing it. Through my work relationship with Butch I always felt him to be a loving man who cared about those around him, who always did his best to take care of others and always tried to what was right by others.

My heart goes out to the family and I'm truly saddened to to lose a friend like Butch Thompson.

“ Butch was, a very special person to me. He was my only cousin and I loved him dearly! He was grown when I was a child, but I always remember having a good time when we were together! He enjoyed being with me and my brothers Paul and Wayne! Mom was so thrilled to have Butch as her nephew! May God bless you Butch! I am so grateful that you had Lynn for many years as your wife! She was and is a loving jewel to be treasured always! Hugs! Prayers! Rest in Peace! Love, Nancy
