“ Kære Aage Vi har været utroligt glade for dine besøg i Thorning, hvor du altid skulle bo på din storebrors gård. Vi fulgte dig trofast rundt på egnen, når du skulle gense dit valnøddetræ, og fortælle om din skolegang og dit første job i præstegården. Vi glædede os til festen, hvor vi skulle mødes med alle dine danske slægtninge, og hvor du på skift tog din amerikanske familie med, så vi kunne lære dem at kende. Vi vil også takke dig for din store gæstfrihed, når vi har været på besøg hos dig. We have been so happy for your visits to Thorning, where you always had to stay on your older brothers farm. We followed you on the tours in the area again and again - when you saw your own walnut tree, - when you spoke of your days at school and your first job at the vicarage. We enjoyed the party with all your relatives here in Denmark, and when your family by turns came with you so we got to know them. Also we want to thank you for your great hospitality on our visits to your place. Tak - Aage

“ Aage has left me with many wonderful memories since our first meeting in August '04 which was shortly after his Daughter Janice and I began our relationship. Among the most memorable was the week in Oct '05 when Soren (a newsman) & Egon (a photographer) visited Aage from Denmark and created a film about him which they titled "Oncle Aage Fra Amerika". It was later televised in Denmark and became a National hit among Danish viewers. Of course, the most memorable day I can remember was his 100th Birthday Celebration in Feb '08 which 400+ people attended. Among that number over 20++ arrived from Denmark and Germany. The highlights that day included various speakers, Aage's speech, his stint on the dance floor, the Danes singing him a Birthday Song, acting and performing a comedy skit, a very entertaining slide show and all of the wonderful picture boards created by Bev, Jan & Jo! The most memorable trips I recall with Aage were the '05 trip Jo, Kyle, Mike, Bev, Jan & I took with him to the Grand Canyon and the Nov '07 trip Jan, Jenna, Keith, Sandy & I took with Aage to San Diego California to see his Grandson Chris(Jan & Keith's Son)graduate from Boot Camp at MCRD. Hopefully, I'll see Aage again someday in Heaven to share stories, have a few belly laughs, play cards (cribbage, buck, nickel-nickel, dare I say....Oh Hell!??)or shake some bones (10,000)! Save a seat for me at the card table Aage!

“ *Our thoughts and prayers go out to all. I will never forget the first time I met Aage and he showed all of the children including me how to blow up his biceps thru his thumb. I also will never forget the few but entertaining fishing trips.*
