“ *You were part of our family even before I was...a brother to my dad, an uncle to Lee and I and the sweet Mr. Bill to Sara.. (Sayme will always remember the "Mr. Bill sammich".) There were many meals and fond memories shared over the decades.*

Texas two-step over and hug Fred, Kenny and Lee (all the Good Time Charlie's Hunting Club members up there) and as you watch over us- know you will be missed.

“ He best memories I have if my father were when I was younger. He had such a contagious laugh and zest for life...and so very handsome (even until the end!) He had a look where I knew I was in trouble too, ha! He's take me after school to one food place he loved and we'd order his signature meal, or he'd take me out to a hunting property and point out the tracks and paths of the animals. I wish I had more of those good laughing times with him, and certainly cherish the ones that I do. I am so sorry for the loss of him, and already miss him greatly. It was so sad to see him in pain and need these last long months...despite the loss of him, I'm glad he's not in that pain and place any more. Rest In Peace Dad....no matter our differences, I am you only child, and I will always love you.
Love, Briana

Bill and I were workmates and friends at Delta for many years. We shared many good times and some not so good times together. For those of us that were around him a lot he will not be forgotten. He is now with a lot of his Delta friends at the big airport in the sky.

Knew Bill a long time and have had many laughs together when things didn't always go well at Delta...But we always got thru it! I don't know who nick named him Wild Bill,,but it sure fit him to a T. No one ever called him anything else,,and I'm sure the angels in heaven welcomed him home as Wild Bill. We will miss his smile , humor and ken wit. He was always the guy you wanted to work with to get the job done.Wild Bill, A JOB WELL DONE IN LIFE . Your friend and comrade in arms Don Chambes
