“ Here are just a few pictures that include my Papaw and some of the memories that I have of him spending time with his family over the years. I thought that I would share all these wonderful memories with everyone and just wish that there had been enough time for me to include them in the service for everyone else to see this past week at his viewing. A few of these pictures reflect some of the memories that I listed in "MY Childhood Memories" that I posted Wednesday before the funeral. That was a very difficult post to write and there were definitely some tears involved while doing it, but I also had many laughs and smiles as well and there were even more laughs and smiles as I went through all the wonderful pictures (memories) that I am beyond thankful to have. Thank you Nanny & Papaw for not only all the wonderful memories that I will never forget, but also for trusting me to take have and take care of all of your memories (pictures) that you saved throughout the years..... I will cherish them always!!

“ *So many childhood memories!.....playing in the barns, on the tractors, in the garden, watching wrestling and old cowboy movies, shooting bb guns, your funny laugh, your Santa suit, the smell of cigars and car grease (lol), golf cart rides and spending random weekends, summers and just about any other school break taking camping trips in the rv or going to the house in the mountains. I love you and thank you for all these happy times.....these are just a few of the memories with you & Nanny that I will always remember and cherish forever Papaw and I'm beyond thankful to have so many pictures of these great memories. I hate that because of the distance between us, I was not able to visit as much as I wanted to.....but I do hope that you always knew how much we all loved you so very much. You were a hardworking man, a great husband, father and grandfather who lived a long and productive life.....and as much as we will all miss you, it's now time for you to rest and no longer suffer. We love you and will miss you dearly, but we all can take comfort in knowing that we will see you again one-day. *Rest Easy* 😞💔*

“ Terry,
So very sorry for the loss of your father. Still miss mine everyday, but please know you will see him again in Heaven.

Carol Peskopos Beaber - October 18, 2017 at 08:30 PM

“ God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,

The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,

The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,

Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it ... Dad
