“ Our family was certainly not expecting this right now but we know that your going home was no surprise to God. He knew exactly what He was doing before you were ever born. He chose exactly what earthly family you would be born into because he knew that someone as special as you, Billy, deserved a family just as special. Over the past 32 years that I have known you, I have personally been witness to the most selfless love from two absolutely amazing parents (Harvey & Sally) and one big brother (Arthur) that I have ever seen. Your parents and brother devoted their entire life to making sure you were comfortable, well cared for, and loved. I have never actually witnessed such unconditional love until I met you & your family. We will all miss you dearly but we take comfort in knowing that we will see you again in heaven one day. We love you, Billy, RIP.
