“ William was my first cousin. His mom and my mom were sisters. Their love for one another is what brought us together. William was one of those rare people we have in our lives who could literally light up any room or place he was in. He took me shooting guns over in Alabama in 1961. And he promptly gave me a gun that when fired sent me backwards and into the arms of my boy cousins who caught me. Of course he laughed. If you knew "Bill" you knew that Our Father gave him a smile that never left his face. He wore it well and there was a warm and loving heart that backed it up. He was loved by his wife Jean, and she could say, "Oh, Bill," in a way that you knew there was none other for her life and thoughts except her Bill! And that feeling was mutual. He loved his family which included my mom who was Aunt Francis to him and all the other kids in Georgia and Alabama. He loved his mom who is my Aunt Mildred. He loved his son Charles and all the sweet little grandbabies that he gave to him. I am not able to list all the family that he touched and all the people but if you were one of these people you will join me in saying,
"Well Done you good and faithful one and Thank You for blessing our lives" Now he gets to join those who have gone before us and is standing on the sidelines cheering all of us to finish the race that Our Father has set before us. We love you so much and will speak of you often in fond memories, Gloria Anne Haynie Grant, 971 Nyssa St.

“ I also met Bill in the early 80's. We hunted, fished and went to Taxidermy Conventions all over the country. I always enjoyed his fellowship and he could tell a pretty good joke. I will miss my old friend.... God Speed...

“ This picture is sadly from Aunt Jeans funeral and here I am posting it on your remembrance page. I'm sad you aren't with us anymore but I am happy you lived a long, happy life and now you're in a much better place, a perfect place, Heaven. I love you Uncle Bill and I'm so happy I have all of the childhood memories in my heart of you. You will be missed. Love, Rachel

“ *I first met Bill in 1985 at the Ga Taxidermist Assn convention. I knew he was going to be a good friend. I've elk hunted in New Mexico with Bill. I've bear hunted in Quebec with Bill. I've been deep sea fishing with Bill. He loved the outdoors and was a true sportsman. I've missed him at the last few taxidermy conventions. RIP Bill. You will be missed.
