*I'm sorry to hear Ken has passed. Ken traveled to Michigan to help me with the SAP Go Live for Linde twenty some odd years ago. Later in my career I moved to Alabama and Ken was of course our inventory coordinator. Every time I submitted a request that he had a question on he would call and say "What exactly are you trying to do here". He cared about his job and helping his co-workers. There aren't too many co-workers nowadays that I can say that about....he will be missed.*

“ I only had the pleasure of meeting and spending a little time with Ken Crook one time about 30 years ago. The first thing I noticed about him was his deep, sexy voice. The second thing I noticed was how well he “matched” my dear niece. I thought that surely my sister must have assisted in getting these two together. These two very interesting souls seemed quite suited for each other. Ken was very friendly and a fun person to be around. I know everyone who was a part of Ken’s world will miss him very much.
