I'm sorry you had to go so soon. I feel your relief in all the pain you left behind. I'll miss you while your gone...but I will see you soon. Every time I start up my tractor I will feel you with me. You will be on my shoulder helping me split wood. It was an honor to share your life and to know you. My thoughts are with your family now as they unwind their grief. Please know that we are there for your family because they are a part of mine. I wasn't ready for you to go and you will be missed.

With loving thoughts...Stoney and Kim

“ *I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.*
