“ Dear Diane, Seanda, and Brandy,

*I can't tell you how saddened Jerry and I are at the loss of Arthur. He was a wonderful person, and one of my favorites. He was a true friend who was there for you whenever he was needed.*

*Friends drift apart. I don't know why we did. It just happened, but we have good memories to sustain us. I remember one thing. He could really make good sweet tea. He must have learned how to do that in Medder.*

*I recently received a card with the following message on it. I hope it give you comfort.*

*"Death leaves a heartache no one can heal. Love leaves a memory no one can steal."*

*God bless you and you families. Please let me know if there is something I can do for you..*

*Love you all,

“ *The family and friends of Arthur Lee are in my thoughts and prayers. Arthur was selfless and the love he shared is reflected by the amount of people who loved him in return. Gone from this plane but never in spirit. Rest In Peace*
