“ *Marcia, Tim, Janice, & Bill,
I have such fond memories of Uncle Bill and all of you at family reunions and family visits. I admired and respected Uncle Bill and Aunt Frances for being such good Christians, putting God first and having such a strong faith! Wishing you the Lord's eternal peace.

“ *It was because of my grandfather that I love working soil for food, love the woods and water, love pouring milk on my ice cream and many more things that he did. He consistently communicated that Jesus was the Savior of the world and I believe he walked worthy of the calling that was on him. I miss him.*

“ *Thank you for leaving a legacy of faith and family. I will never forget the late night walks where you would hold my hand and tell me all about the stars. You made the sky a beautiful story just waiting to be discovered. It was the only time you would walk slow enough that I didn't have to power walk to keep up with you.*
